Re: 2013 NSW School-Based Vaccination Program

The NSW Ministry of Health has been informed that a small number of Parent Information Kits which contain forms for parents to read and sign for school vaccination may be missing important information.

Please check that all information is included in the Parent Information Kits:

- parents of **Year 7 female students** should receive a pink **Year 7 Girls** envelope that includes a checklist, privacy statement and 4 Consent Forms and Information for you and your child sheets for:
  1) Human Papillomavirus (HPV) (pink)
  2) Diphtheria-Tetanus-Pertussis (dTpa) (blue)
  3) Hepatitis B envelope (green)
  4) Varicella (chicken pox) (yellow)

- parents of **Year 7 male students** should receive two envelopes:
  - a blue **Year 7 Boys** envelope that includes a checklist, privacy statement and 3 Consent Forms and Information for you and your child sheets for:
    1) Diphtheria-Tetanus-Pertussis (dTpa) (blue)
    2) Hepatitis B envelope (green)
    3) Varicella (chicken pox) (yellow)
  - an olive green **Boys Human Papillomavirus (HPV)** envelope that includes a Consent Form and Information for you and your child sheet

- parents of **Year 9 male students** should receive an olive green **Boys Human Papillomavirus (HPV)** envelope that includes a Consent Form and Information for you and your child sheet.

If all the information is included and you would like your child to be vaccinated, please read the Information for you and your child sheet, sign the Consent Form and return the signed Consent Form to your child’s school. If you do NOT wish your child to be vaccinated, do NOT complete or return the Consent Form.

If any information is missing from your Parent Information Kit, please contact your child’s school immediately and a replacement Kit will be provided.
